## COMMUNITY IMPACT GALLERY & COMPETITION

*Presented by NYHC Rising Leaders Network*

The 5th Annual Community Impact Gallery & Competition is a unique opportunity to showcase your work to your peers, partners, and funders in the affordable housing community. The competition attracts a wide range of submissions, highlighting the collective impact that investment in affordable housing and community development has in communities across New York State.

### HOW HAS YOUR PROJECT RESPONDED TO COMMUNITY NEEDS?

Submit your affordable housing or community development project—including building, design, sustainability, health, advocacy initiatives designed to positively impact families and communities.

Many organizations have pivoted daily operations to take on the most significant public health emergency of our lifetime. This year we will be opening up the competition to also recognize the diverse response to the coronavirus pandemic.

The Community Impact Gallery & Competition is a chance to tell your story, feature your work, credit your staff, and highlight your accomplishments at this industry-wide event attended by 1,200+ colleagues.

Affordable housing developers, community-based organizations, architectural firms, construction contractors, financial institutions and all other innovators and stakeholders are encouraged to submit projects to show the affordable housing community how you are making a difference!
